RE: Granite Telecommunications, LLC (Docket No. 03-00068)

Dear Ms. April Ingram:

The Tennessee Regulatory Authority respectfully requests Granite Telecommunications, LLC (hereafter "Granite" or "Applicant") to submit the following information to the Authority for the review of their request for a Certificate to Provide Facilities-Based and Resold Local Telecommunication Services and Resold Interexchange Services within the State of Tennessee as pursuant to TCA §65-4-201:

Technical Requirements:

1. The following Toll Dialing Parity Plan Requirement information is required to be submitted to the Authority: a) State whether a PIC change charge waiver period is proposed and for how long. b) Provide anti-slamming procedures for your plan. c) Provide a statement(s) concerning nondiscriminatory access to telephone numbers, operator services, directory assistance, and directory listings.
2. Identify any special Customer Premise Equipment (CPE) requirements that would not be compatible with an incumbent carrier.
3. Include a statement that the carrier will comply with all rules of the FCC and the TRA.
4. Identify all complaints filed with state and federal regulatory agencies involving your Company or affiliated entities, and identify the nature of the complaint, which governmental agency or office received the complaint, and how was the complaint resolved.
5. Please specify the type of state certification for the listed states in the application such as facilities-based or resale certification.

If you have any questions or comments regarding this data request, please contact Darrell Whitis at (615) 741-2904 (ext. 132), fax (615) 741-2336, or email @ Darrell.Whitis@state.tn.us. Please submit the requested information with an original and thirteen copies by February 20, 2003.

Sincerely,

A handwritten signature in cursive script that reads "Joe Werner".
